

## **Consent to the processing of personal data using the Yandex.Metrica service**

1. I (hereinafter referred to as the "User" or "Personal Data Subject"), visiting the website <https://trimpol.com> / or by filling out and submitting the feedback form on the website, I freely, voluntarily and in my own interest express my unconditional consent to the processing of my personal data by the One and Only LLC organization, registered in accordance with the legislation of the Russian Federation at the address 242250, Bryansk region, Trubchevsky district, Belaya Berezka village, Partizanskaya ul., 10, sq. (hereinafter referred to as the "Operator") in accordance with Federal Law No. 152-FZ "On Personal Data" dated 27.07.2006.
2. Categories of processed data: "cookies" (cookies). Cookies are a piece of data sent by an Organization's server and stored on the Personal Data Subject's device. The contents of such a file may or may not relate to personal data, depending on whether such a file contains personal data or contains anonymized technical data.
3. The purpose of personal data processing is to analyze user activity using the Yandex.Metrica service.
4. Categories of personal data subjects: all Users of the website <https://trimpol.com> / who have consented to the processing of cookies (cookies).
5. Processing methods: collection, recording, systematization, accumulation, storage, clarification (updating, modification), extraction, use, depersonalization, transfer (access, provision), blocking, deletion, destruction of personal data.
6. Period of processing and storage: until the request for termination of processing/withdrawal of consent is received from the personal data subject.
7. Withdrawal method: a written statement of withdrawal by sending it to the following email address: [info@trimpol.com](mailto:info@trimpol.com) or by writing to the Operator's address.
8. The personal data subject has the right to prohibit his equipment from receiving this data or restrict the reception of this data. If you refuse to receive such data or if you restrict data reception, some functions of the Site may not work correctly. The personal data subject undertakes to set up his own equipment in such a way that it provides an adequate mode of operation and level of protection of cookie data, and the Organization does not provide technological and legal advice on topics of this nature.
9. I agree/agree to qualify as my simple electronic signature under this Consent and under the Personal Data Processing Policy the following actions on the website: <https://trimpol.com> /: I clicked on the interface with the text "To improve the convenience of the site, we use cookies (more details). The Yandex.Metrica service is connected to the site, which also uses cookies." to the element with the text "I agree / agree".
